

VEX/BEST Team Party and Celebration Saturday, April 24, 6:30pm

The 2010 VEX World Championship and BEST National Championship Celebration party will be even bigger and better than last year. This party is hosted by VEX Robotics and will occur on Saturday evening, after the contest is over. If you plan to be staying overnight, this will be great fun for everyone. Admission to the party will include dinner, desert and full access to all games, activities and entertainment (including a special musical performance).

We're pleased to announce that there will be a big discount for all tickets purchased in advance. Celebration Party tickets will be reduced 50% to **only \$15 per person** if purchased in advance online, with full price tickets being available for \$30 per person after April 16. Advance tickets must be purchased online in the next two weeks, **by April 16**, to get the 50% discount.
